ANALYSIS: (Attach a separate page if necessary)

This bill amends AS 11.46.130 and adds an "access device" [defined in AS 11.81.900(b)(1)] to the crime of theft in the second degree which will increase the criminal classification for theft of an "access device" from a Class A Misdemeanor to a Class C Felony. The bill also increases the criminal classification for fraudulent use of an access device in AS 11.46.285. It will increase the penalty to a Class C Felony if the theft of property or services obtained is \$50 or more, but less than \$25,000. The present value for a Class C Felony is \$500 or more, but less than \$25,000.

No fiscal impact on the Department of Public Safety is anticipated.
